

Impact Designs is a ministry of

## Rescue Ministries of Mid-Michigan

helping families transition out of  
emergency shelter.

We turn an entry level, unfurnished  
apartment or rented house into a  
warm and encouraging home. It's  
a very simple idea that changes a  
family or an individual's future.

Our goal is to service 3 families per  
week, and we hope to furnish over  
150 homes each year.

Drop off hours are: 9am – 5pm

## HOW YOU CAN HELP

## DAYS OF SERVICE

This is a great way for your church or business to have a direct **impact** on the community.

A group of up to 10 assists the designers with furnishing the home or apartment. They meet at the warehouse, load up the truck, and caravan together to the guest's home. Once there, your group helps clean and decorate. When they finish, the big **IMPACT** reveal to the family takes place.

We ask that your church or business sponsor a family for \$500 or an individual for \$250. For more information contact our Impact Designs Coordinator at 989-752-6051 x 121.

## THE WAREHOUSE

This is a much-needed day of sorting and organizing items in our 5,000 sq. ft. warehouse located on the City Rescue Mission campus.

A group of 3-10 church members or employees meet at the Impact Designs' warehouse and begin with a brief orientation and warehouse tour. Then they will help with sorting and organizing donated items that come into the warehouse. For more information contact our Volunteer Coordinator at 989-752-6051 x 122.

## NEEDS LIST

Your church or business can organize a drive for Impact Designs. We are always in need of certain items such as bath towels, bedding, kids' crafts, cleaning buckets, etc. You can deliver to the warehouse and help put the items away.

Encourage your church members or employees to clean out their closets and cupboards as well as donate new items.
